

Template Open	The Statkraft Way Form for appointment of Temporary Safety Substitute (TSS) in high-voltage systems	 Statkraft
--------------------------	--	--

Plant/Installation:

Worktask:

Name SSHV*:

* Safety Supervisor High Voltage

The following safety measures are established by SSHV (Safety Supervisor High Voltage):

.....

.....

.....

- It is only SSHV who can start the work again if work is stopped by TSS.
- It is only SSHV who can start the work in the morning.

I hereby declare being instructed by SSHV in all safety measures established, and that I have been informed of any danger the work can represent.

I am familiar with P-23/146 requirements for TSS (Temporary Safety Substitute).

I hereby declare I will follow all instructions given.

Date:..... Place:.....

Name (Capital letters):.....

Signature:.....

This confirmation is kept by SSHV during the work and shall be archived after finished work. The documentation shall minimum be archived one year.
